Instructions: The anticipated METRO Board meeting month for approval of a contract resulting from this solicitation will be forthcoming. It is the responsibility of the bidder to check METRO's website for notices on the specific dates for METRO Board meetings. All bidders of this Solicitation and METRO hereby agree that this provision shall serve as the minimum required action by the bidder toward exercising due diligence in obtaining the results of this Solicitation. The requirement of approval by the METRO Board of Directors for any particular solicitation is dependent upon several factors. However, all bidders shall be required to check the METRO web site regarding whether or not the solicitation associated with their bid requires approval by the METRO Board of Directors. All persons and/or entities responding to this Solicitation hereby acknowledge the Public Notice of Solicitation Results enumerated in the Paragraph. METRO Board meeting notices are posted on METRO's web site at: <http://www.ridemetro.org/AboutUs/Board/Agenda.aspx>
